THE MAN CAVE

SAPPHIRE'S SIXTY-NINE

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

My man cave is right next to the kitchen, and even though my wife has told me to soundproof it better, I haven't had the chance. I can't imagine why, but she doesn't want to hear is shouting and swearing at the TV when the games are on. I promised that I'd get it done within a month.

Last Saturday night, my fishing buddy, Al, came over to share his catch from earlier in the day... looks like trout almandine tonight. His college age daughter, Sapphire, came with him to help prepare the meal with my wife. While Al was watching more fishing on TV, I went over to the fridge near the door between my cave and the kitchen, and I heard the two women talking. I could hear them clearly through the crack in the door, and what I heard made my ears tingle!

Sapphire starts: Things change when you go away to college. People change, too. I mean, just a few months ago, I would never have thought about kissing another girl, much less have expected to find myself muff-diving! And loving it!

Hey, I'm no lesbo—really! At 18 I'm just experi-

menting, you know, trying out new things and all.

I met Claire in my Ancient Civ class. I noticed this girl sitting two rows over, who kept looking at me. I smiled politely, and that was that. Or so I thought. But after class, she approached me. "Hi, I'm Claire." Blonde, blue-eyed, with full pink lips, and a slender body—she was everything I wasn't. I'm short, dark-haired, and although I'm not heavy, I wouldn't call myself slender.

"I'm Sapphire," I said.

"Cool name!"

We wound up going over to the Student Union Building for coffee, found a small table, and settled down with our lattes to chat. Suddenly her knee touched mine, sending a jolt through me. I was wearing a short skirt that day, and my legs were bare; so were hers. The feel of her skin against mine just turned my insides to liquid.

Seeing my surprised expression, Claire smiled. She leaned toward me, and within seconds her fingers were dancing up my bare thigh. One finger pressed against the crotch of my panties. Another jolt electrified me, and I felt my pussy getting wet.

Claire stroked my cotton-covered slit. "Like that?"

"Oh...oh yeah." I did, too—it felt wonderful. I glanced down at my shirt and saw my fully erect nipples pushing against the material—you could see every detail of those swollen nubbins, too! Claire licked her lips.

"Want me to bring you to the big O here? I can do it." Her fingers found my clit and start circling.

"Oh yeah, make me come," I said, panting. I reached under the table and mashed her hand against my crotch.

"Okay, but you have to play with your nipples," she said slyly, dimpling.

I blinked. "Here? In front of all these people?"

"Yeah. It makes it more...fun. Besides, no one is really gonna see. And if they do...well, just think how turned on they're gonna be. You and I are just providing a public service—you know, helping someone get off!" She grinned and pushed aside my panties. Then she laid her finger against my shaved pussy.

"Ooooh," I said, writhing as Claire's finger slipped into my wet folds. She buried her finger all the way in, then drew it out slowly and rubbed some pussy oil on my clit. She circled my clit with her greased-up finger slowly, teasingly, while balls of fire swept through me.

One finger pressed against the crotch of my panties. Another jolt electrified me, and I felt my pussy getting wet.

"Your nipples," she said. "Squeeze them."

I grabbed one—I didn't even try to hide my hand under my shirt—and tweaked it. That just made me groan louder. I rubbed my nipple, alternately pressing my palm against it, then pulling it with my fingers.

I saw a guy at a table across from us reach down and start rubbing his crotch. That got me even hotter.

Claire's finger pumped in and out of me faster now, while her thumb massaged my distended clit. Suddenly I was coming. I groaned loudly, and people glanced around at us and grinned. I shook with the last of my orgasm, and slowly Claire withdrew her juice-coated finger. She slipped it into her mouth and licked it clean. The

guy across the way stroked faster.

"Wanna go somewhere?" she asked.

"Oh yeah," I said. My whole body tingled from her fingerfucking. I wanted more. I wasn't sure what "more" consisted of, but I was willing to learn.

We gathered up our books and notebooks and passed the guy who was jacking off. Claire winked at him just as he came. They grinned at each other. I just stared.

Claire lived in an old apartment not far from campus. She led me by the hand to the bedroom, furnished with an immense bed and not much else. She pulled me to her and pressed her lips against mine, then pushed her tongue into my mouth. We explored one another's lips and tongue. She pinched one of my nipples, and the little nubbin betrayed me by standing up even taller. My pussy was wet again, and Claire must have known that because she suddenly knelt and pulled down my panties. She pressed her mouth against my shaved mound and licked me, her tongue delicately tracing my pouting lips.

"Oh, god, Claire, you drive me nuts!"

"I sure hope so, Sapph."

Her tongue slipped into my pussy and fucked me until I came. She kept gobbling my sweet juices until I came again and again…and again! Finally, every part of my body tingling, I fell back on the bed, and she landed on top of me. We wrestled a bit, pinching nipples and kissing, and finally we took our clothes off. She had pierced nipples—little gold rings joined by a chain—and her labia were pierced, too. Quickly I knelt in front of Claire's pretty pussy.

I licked the little barbell in my new friend's labium, then slowly, shyly ran my tongue along her dark pink lips. She groaned and grabbed my head, mashing my face into her pulsating pussy. Then I began to eat her out in earnest. My tongue jabbed deep inside Claire, and I lapped up all that wonderful pussy butter. I'd never tasted anything sweeter. My tongue wiggled faster and deeper in her, making her grunt as she bucked against me.

Finally she came long and hard, smearing my mouth and cheeks and chin with her lovely sauce. We talked a bit; then Claire positioned herself so I could lick her pussy while she ate me out. We did this awhile until we didn't think we could come any more—of course, we could!—then fucked each other with our fingers.

She pressed her mouth against my shaved mound and licked me, her tongue delicately tracing my pouting lips.

Claire says she's got a few toys to show me later on—something she calls a strap-on, which she says I'm going to love when she buries it deep in my pussy. I hope it's soon—my pussy is wet and waiting!

Suddenly Al asks me why I've been standing there for so long. His favorite fishing show had just ended and I could tell he was stoked. I told him that I was talking to my wife about the dinner she and Sapphire were making. I don't know if Sapphire had told her dad anything about this, but I sure was going to keep my mouth shut. I didn't say anything at dinner, but kept looking at Sapphire, wondering. Oh by the way, the trout almandine was just absolutely delicioso!

TREEHOUSE TRIO

The sun warmed my breasts. Being three stories up has its advantages in suburbia. I can sunbathe nude without fear of being seen. A section of our roof is flat and affords me the opportunity to tan in both safety and privacy.

I normally keep my bikini bottom on, but since it's a skimpy G-string, I get pretty tanned down there too, and I keep my pussy well trimmed, so it tans well.

My nipples were erect and sensitive, from the kiss of the sun's caressing heat. With a cold Long Island Iced Tea at my side, the radio on, and a good book, I was enjoying the day. I was expecting my husband home in a couple of hours, and basking in the sun warmed me for his return. I didn't think the day could get any better.

But when I leaned over for the tea I caught sight of a female form a few houses away climbing the ladder of the tree my friends and I had our old treehouse in. This surprised me. None of us had been in that treehouse for 10 years, not since our college days, when we were experimenting sexually. We discovered a new pleasure then: pussy. But after a while the novelty wore off, and we stuck with guys as lovers.

Couple by couple, our respective parents had moved, and we girls had each bought the houses we'd grown up in. We'd made a pact, one we stuck to, and so we four still live in the houses of our childhood. And we had this treehouse our daddies built for us.

I went into our bedroom and grabbed my husband's binoculars. He has a great pair of field glasses he uses at football games.

Back outside, I focused on the treehouse. It was Marta. I watched to see what was going on, and I was floored. Nin La's head popped up into the window. Then a little more of her showed. She was topless.

Her pert breasts jut out with a firmness I could get only with plastic surgery. My 38Ds have a gravity problem.

Nin La was a foreign exchange student back in high school. She stayed with Marta and became one of us. She is from Thailand.

Her hair is longer now, about to her butt. Jet black and straight, it gives her exotic looks even more of a sultry, steamy appearance. Her nipples are firm, thick, black chocolate drops on top of those pert, sexy bronzed breasts. Before I knew it Marta's head appeared, and a nipple disappeared between her lips. I gasped.

As I said before, we had experimented while attending college. All of us but Nin La went to the local college. But we had put it aside. Since Nin La wasn't around then, she hadn't been part of it. But here she was now, enjoying sex with Marta. If I had known Nin La was into girls, I would have made a play for her myself.

Slowly Marta's head came up.

> *As young girls, they has played together in the treehouse. Now they were grown... and playing threesies.*

BLAIR-NTS-09

She was topless. Well, she might have been naked. Both might have been. But all the window of the treehouse offered was a view from about their bellybuttons up.

Marta has 34C boobs, and she isn't too affected by gravity either. Watching their breasts touch and gently rub over each other, seeing their nipples stiffen, brought a familiar ache between my thighs.

I went back inside and grabbed my phone. Marta doesn't leave home without her cell phone. I was pretty sure she'd have it with her.

After about six rings, they broke their impassioned kiss and Marta bent down. Standing again, she put the phone to her ear. "Hello," she said, her eyes still glued on Nin La's lithe, sexy body.

"I want sommmmmmmmmmme!" I whined.

Marta's head cranked around to peer out the treehouse window so hard it's a wonder she didn't break her neck. "Debbie?" she asked. "Is that you?"

"Uh-huh," I murmured. "And I want to taste her too."

She covered the mouth piece and mumbled something to Nin La. Nin La giggled and nodded. Marta put the cellular to her face again and said, "Come on up. We'll make it a threesome."

I had a T-shirt on in a flash and was climbing up the treehouse ladder in no time. As I neared the hole I saw their legs. Looking up, I saw Marta's sparsely furred pussy. Her red hair was natural. The lust between her legs had her pussy glowing with scarlet heat.

Nin La had no hair on her pussy, a brownish, caramel-colored crease with a hint of bronze. I felt my legs tremble as I climbed into the treehouse.

Keep in mind, it had been built for four girls, not three grown women. It was a snug fit, and I saw immediately that a full-blown threesome wasn't going to work here. Perhaps two could play while one sat off in a corner and watched, so I sat back.

The other two stripped me quickly, and each kissed me full on the lips. Their tongues ignited me, especially Nin La's. Their hands were all over my body, and I was as hot as I could remember ever being.

I finally said, "It's a bit cramped up here. You two go ahead. I'll watch. Then later I'll take a turn."

Nin La shrugged. "Okay," she said. Her accent added to her allure, as did her boyish figure. Her bald pussy jutted out, as if it had a mind of its own. It seemed to be saying, "I am the most prominent body part here. Please me now!"

I sat back and watched. Marta slid to her knees and started kissing Nin La's belly. As she did, she gently caressed her thighs and ass. Nin La's head tilted back, her long, jet black hair covering her tight ass.

Slowly Marta's mouth descended, coming closer and closer to that exquisite, meaty pussy. When her tongue snaked out and dipped into the top of Nin La's slit, Nin La moaned. I couldn't stand any more.

I squatted, my butt resting on the floor. My left hand went between my thighs. As Marta teased Nin La's swollen clit with the tip of her tongue, I teased my own clit with the tip of my finger.

Nin La brought her hands to her breasts. I watched as she lightly pinched her swollen nipples, making herself breathe even harder. With my right hand, I lifted my right breast and took the tender nipple between my lips. Gently sucking, I made myself even hotter.

Nin La leaned back into the window and parted her legs. Her pussy seemed to rise, to dominate the treehouse, and Marta responded eagerly. Her head went between Nin La's thighs. I watched as her tongue darted out and dipped into the sexy, meaty lips of Nin La's sopping pussy. I watched the lips part a little to accept Marta's tongue, then wrap snugly around it.

At the same time I reached farther between my thighs with my left hand and slid two fingers into my dripping pussy.

I gasped. Loudly. "Oh fffffffuck!" I groaned between gritted teeth. I didn't want to alert the entire neighborhood to the passions being shared here, so I gritted my teeth to try to muffle the sounds of my exquisite pleasures. My pussy clutched tightly on my fingers as I pistoned them in and out of my juicy hole.

Nin La looked over with a dreamy look on her face. The sight of me furiously masturbating at the hot erotic sight of her having her

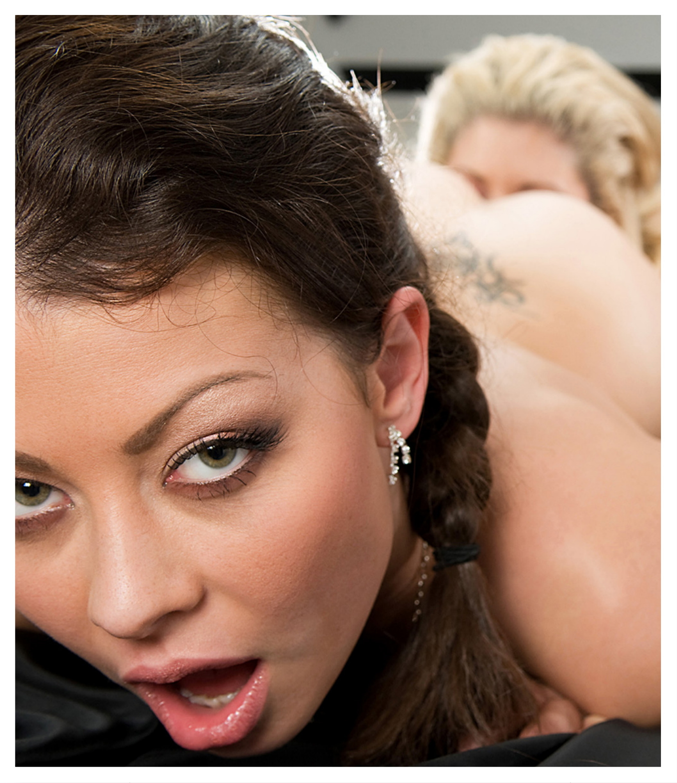
pussy eaten by one of our dearest friends evidently had a positive effect on her.

Her hips arched. Her mouth fell open. A soft, nearly inaudible moan escaped her narrow throat, and her haunches bucked wildly. The uncontrollable pleasure of hot orgasm caused her to thrust her pussy against Marta's mouth repeatedly as she came.

Marta had a hand between her thighs. I couldn't quite see the action she was applying to her pussy, but her arm was jerking in hard, pumping motions. It wasn't clit action; she was fingerfucking her pussy as she kept Nin La bouncing on her face.

The scene continued to get hotter. A lifelong friend with her face buried between the thighs of a gorgeous foreign exchange student we had met 14 years earlier, all this taking place in a place that has been the scene of so many dreams, plans, pacts, and secrets.



I couldn't hold back any more. My pussy erupted like a volcano going off. Three fingers were now thrashing deeply into myself. I cocked my thumb in and rubbed my clit with the knuckle with each stroke inward.

My legs went down, taking me to my knees. I felt more helpless than they looked. I came so hard I thought I wouldn't be able to give either of them anything when they were done.

I didn't have to worry about that, though. Marta's tongue was spent, and she slowly, reluctantly pulled away from Nin La's glistening wet haunches.

Like a tigress from the jungles of Thailand, Nin La went to her knees and crawled to me. With her nose she nudged my hand from between my thighs.

I removed it and scooted down until my legs were splayed wide. Without hesitation, she lowered her head to my heated pussy. Her tongue lashed out with expert skill and stroked my aching clit. I had thought I was about spent until the pointy tip of her wet, pliant tongue slid over my clit.

A jolt of hot, sudden delight shot through my thighs, pussy and abdomen. I slid down farther and arched my hips, lifting my butt to give her a better angle at my pussy.

Her tongue went to work, stabbing in and out of my raw, sensitive pussy a few times, then gliding over my aching clit a couple of times. The squirming firmness of her wet, smooth tongue was like a new sex toy. I felt myself come and thought it would be over. Then I came again.

Nin La was like every girl's dream come true; she gave a pussy-eating that lasted a good long time. My pussy was like a Tootsie Pop to her: How many licks would it take to get to the creamy center? She found my center to be loaded with far more cream than she could have imagined.

What seemed like an hour of orgasms from Nin La's heavenly tongue was probably only five, maybe 10 minutes. But who am I to say? When you come like that, time ceases to exist.

Finally I was spent. My clit was too sensitive to take any more. I pulled away. "Mm! No more!"

She understood and moved over to Marta, who was masturbating while watching us. Watching her do Marta only raised my temperature again. I wanted more. But I felt Marta and I were being selfish. Alice and Holly were Nin La's friends, too. Wouldn't they like some of this delightful cunnilingus?

Since the treehouse was too cramped for even three of us, let alone five, I used Marta's cell phone to book a hotel room. Then I called Alice and told her what was going on in the treehouse. She flipped and wanted to come over right now and get some. Holly was ready, too.

I told each of them to meet us at the hotel. Then I made sure Nin La and Marta had heard the arrangements I'd made. (After all, they'd been busy!)

We all had to leave notes for our husbands. Some of us were more open in what our notes said, depending on the respective husbands. A couple of the guys are the sort who would understand. It turns them on to think of their wives with another girl. You know how guys are.

My husband? He's a delightful perv. I'm planning a threesome: him, me, and Nin La. It's a surprise I know he'll appreciate!
